

50th Celebration Gala

Honoring Our Past. Celebrating Our Future.

Thursday, June 7, 2018

As we celebrate our 50-year anniversary in 2018, this event will reflect back on the individuals, families, and community partners that paved the path for individuals with disabilities. As we look back on five decades of making a difference, your sponsorship will help us honor our community heroes and support Columbus's vision for the future.

In 1968, Columbus opened its doors. In 1975, Columbus's Electronics Training Program provided opportunity for Frank and others to work at Sperry Univac.

For nearly four decades, Cindy and her family have had the support to ensure she has a job she loves and opportunity to participate in all that our community has to offer.

When Columbus opens the Hub of Opportunity in 2019, young adults like Dylan will find a place where they have more choices about how they can live and work in our community.
