NOVEMBER 7, 2014

Welcome
Thurl Bailey, Event Emcee

Opening Remarks
Mark Wilkinson, President, Columbus Foundation

Keynote Speaker
Bryan Miller, President, Miller Inspiration
As the youngest son of Larry and Gail Miller, Bryan has worked in the family business since he was 16, holding positions from lot technician at a Chevrolet dealership to assistant general manager at Miller Motorsports Park. Today, he serves on the Larry H. Miller Group of Companies Leadership Council in addition to being founder and president of Miller Inspiration. Bryan’s wide-ranging experience has taught him indispensable lessons about success, which he now shares with others through speaking engagements and workshops. With refreshing honesty, Bryan’s public engagements offer a peek behind the curtain at both the rewards and the challenges that success has brought to his family.
